Discontinuance Notice for MPC7410 and MC7457 Families

Information Notification

This Discontinuance Notice confirms to your company that NXP Semiconductors (NXP) is now discontinuing the manufacture of an integrated circuits listed in the Product list included with this notification. In accordance with NXP product discontinuation policy and JEDEC EIA/JESD48, we are hereby giving notice of these product changes so that our customers and partners can adjust their product purchasing records, or make any final lifetime purchases of the discontinued products that can still be supplied by NXP.

Customers should work with their existing supply channel to execute last orders for NXP marked product.

NXP partner Teledyne E2V may be able to provide replacement products for customers requiring extended supply options.

Please contact a Teledyne E2V authorized distributor or Teledyne E2V directly for more information regarding your long term program options.
